

INFORMATION BULLETIN (2) 21/03/22

APPENDIX TO THE 2022 REGULATIONS

Junior Pro Karts

- Sprocket guards must be fitted, made from plastic only. These must cover top and sides down to the middle of the axle.
 - *This regulation has been amended until further notice to allow the Junior Pro Kart Grid to run the old style "strips" for chain guards. These must cover the top of the clutch, chain and rear sprocket.*
